Company profile:

Manufacturer
Distributor
Research & Development
Contract research

ISO certifications:

ISO 9001
ISO 13485

Company activity:

Antibodies, Peptide

Company description:

Eurogentec is a worldwide supplier of products and services to scientists involved in Life Science Research, Molecular Diagnostic and Therapeutic development and commercialisation. Eurogentec is a leading provider of reliable and innovative products and services to the Life-Science, Diagnostic and Pharmaceutical community. Employing over 300 people worldwide and with a distribution network in over 40 countries, we are just a phone call away to experience true partnership.

Company specialty:

Eurogentec offers a broad range of products and services for basic research in Genomics and Proteomics.

- Antibody Array profiling
- Antisense research
- Chromatin Immuno-Precipitation (ChIP)
- DNA-RNA-Protein separation
- Epitope mapping
- Functional genomics and RNAi
- Gene amplification and cloning
- Gene expression and cloning
- Gene expression profiling
- Genome analysis, Transcriptional regulation
- Genomics MicroArrays
- Genotyping
- In vivo Delivery
- Kinase screening
- Molecular Modifications
- Multiplexing Assay
- Protease screening
- Protein detection
- Protein expression profiling
- Protein analysis
- X-ray crystallography

Visiting address:

Address: Rue du Bois Saint Jean 5
Postalcode: 4102
City: Seraing
Country: Belgium

Phone nr. +32 4 372 74 00
Fax nr. +32 4 372 75 00

Active in region:

West Europe
North America
Asia
East Europe

World wide subsidiaries:

Belgium
United States
