## BIOTECHNICA 2013 Description

### BIOTECHNICA 2013

Europe's No.1 Event for  
Biotechnology, Life Sciences and  
Lab Technology  
8 - 10 October

Featuring new topics and innovative marketplaces, BIOTECHNICA 2013 will once again serve as the central hub for Europe's entire biotech sector and its clientele. For the twentieth time BIOTECHNICA will bring exhibitors and trade visitors together to do business. One of the keynotes of this year's trade fair will be bio-economics. Switzerland - the first Partner Country to be honored at BIOTECHNICA - will also be a focus of attention.
