AACR Annual Meeting 2016

Description

AACR Annual Meeting 2016

The AACR Annual Meeting highlights the best cancer science and medicine from institutions all over the world. We are in a new era of great progress and promise in cancer research, and the AACR is pleased to provide a comprehensive program for learning, collaborating, and sharing extraordinary advances in cancer research, including new findings in our understanding of cancer and how to prevent and treat this complex disease. This new era of cancer discovery is unprecedented with respect to rapidly emerging cancer science and new and effective molecularly targeted therapies.
