8th Annual International Congress of Antibodies (ICA)

Description

8th Annual International Congress of Antibodies (ICA)

Theme: Accelerating the R&D of Next Generation Antibodies

Website

[8th Annual International Congress of Antibodies \(ICA\)](#) [2]

Dear Friends and Colleagues,

Welcome to Dalian and BIT's 8th Annual International Congress of Antibodies (ICA-2016). We are honored to announce that the most antibody event in Asia will be held on April 25-28, 2016 in Dalian, China. With the theme of "Accelerating the R&D of Next Generation Antibodies", the congress will provide an opportunity to bring together professional representatives all over the world.

This conference will be an outstanding experience, both scientifically and socially. ICA-2016 aims to be the most comprehensive antibody congress where discoveries meet opportunities. During 7 years of successful running of ICA, it has attracted more than 3,000 participants from 60 countries. We are trying our best to be the unique platform for Academic & Industrial information exchange & network expansion. The congress venue Dalian is one of the most famous, beautiful and romantic tourist destination in China. All the attendees will have the opportunity to enjoy the beautiful scenery.

ICA-2016 will once again bring together thought leaders from pharmaceutical, biotech companies, consultants, regulatory authorities and academics, including well-known industry experts innovative technology developers and expert scientists, to present the latest research results, ideas, developments, applications and business prospects in Antibody Research and Technologies, Antibody Design, Antibody Engineering and Production, Antibody Market Trend., etc.

We cordially invite you to join us for this forward-thinking event in Dalian. This conference will include plenary sessions, panel discussions, and paper presentations. Roundtable discussions, matchmaking, exhibitions, field trip and tech-tour will also help foster a fruitful exchange of information and ideas.

We look forward to seeing you in Dalian in 2016 for this influential event!

Sincerely Yours,

Xiaodan Mei, Ph.D.
Executive Chair of ICA-2016
President
