ORPHAN DRUGS AND RARE DISEASES EUROPE

Description

ORPHAN DRUGS AND RARE DISEASES EUROPE

SMi is proud to announce the return of their 6th annual Orphan Drugs event to Berlin on the 15th -16th May 2017!

The global orphan drug market totaled nearly \$123 billion in 2014 and will continue to grow to reach nearly \$191 billion by 2019.*

With such growth and innovation witnessed in this field now is the best time to discuss and strategize the best route to market.

Germany is Europe's largest pharma market but is recognised as having one of the toughest pricing policies in Europe.

SMi 6th annual Orphan Drugs conference will discuss the controversial German pricing mechanism as well as bring together leading industry professionals to discuss the latest regulatory developments, explore how to reduce costs and learn from the latest innovations in the orphan drug landscape.
